

District 7 Workshop: **Coming Full Circle!**

12 steps, 12 traditions and 12 concepts

How can the 12 steps, 12 Traditions and 12 Concepts help me in all 'my affairs'?? How can I understand my own experiences? What does any of this have to do with secular work, family, personal recovery or spiritual settings?

Please join us on the first Saturday of each month @ 6:00 PM EST. We will have a panel of 3 members who understand their own experiences and have turned them into assets!

On January 3rd, 2026 we will begin this series on Zoom ID: 425 016 0612
